

# 2025 ENERGY INNOVATION FORUM

**Wednesday, October 29 | 1:00 - 5:00 pm | Reception to Follow**  
**Shell TechWorks, 2 Drydock Ave, Boston**

Join NECA for its second annual Energy Innovation Forum! This event will gather a diverse group of energy industry professionals and companies to identify the most innovative tools and strategies to advance the energy industry. The event will kick off with Greentown Labs' CEO, Georgina Campbell Flatter, followed by a panel discussion and presentations from four winners in energy innovation. With ample networking opportunities, a post-event reception, and an opportunity to visit Shell TechWorks' cutting-edge facility, this is a function you won't want to miss.
